

Pro-Demnity Sponsors TSA Gingerbread City 2024!

As we approach the holiday season, Pro-Demnity is excited to announce our sponsorship of two inspiring and festive events hosted by the Toronto Society of Architects (TSA): **TSA Gingerbread City 2024** and the **TSA Gingerbread City: Kids' Main Street Workshops 2024**. These events celebrate creativity, innovation and collaboration – attributes that align with Pro-Demnity's commitment to support the architectural community to take the risks necessary to build a better (gingerbread!) world, by championing their efficient, [effective management of risk](#). In fact, TSA Gingerbread City is the only design activity where Pro-Demnity happily challenge architects to take all the uninsured risks that they would like that fall outside of their usual and customary professional services!

TSA GINGERBREAD CITY 2024: CELEBRATING ARCHITECTURE AND DESIGN THROUGH GINGERBREAD

We're also proud to sponsor the [TSA Gingerbread City: Kids' Main Street Workshop](#), an event that encourages young minds to explore the world of architecture. Through hands-on activities, children will learn about city design, architectural principles, and the art of building with creativity and fun. This event is all about fostering curiosity and giving kids a glimpse into the world of architecture in a way that's engaging and educational.

By supporting the TSA Gingerbread City: Kids' Main Street Workshop, Pro-Demnity is helping to inspire the next generation of architects, designers, and thinkers. It's a wonderful opportunity to nurture their creativity and empower them to think about how they can contribute to the built environment of tomorrow.
