

Professional Liability Insurance of Former Lic.Tech.OAA Certificate of Practice Policyholders

Pro-Demnity is proactively and confidentially contacting former Lic.Tech.OAA Certificate of Practice policyholders to provide relevant information regarding the impact to their professional liability insurance coverage, further to the outcome of the Association of Architectural Technologists of Ontario (AATO) Court Application on May 10, 2023.

Pro-Demnity is committed to supporting current and former policyholders experiencing transformations in their business and by extension to their professional liability needs, as well as continuing to provide valued risk management guidance to help ease their transition.

If you are impacted by this change, additional information will be provided to you directly via email.
