

Claims Identification

If you find yourself thinking your architectural practice might be facing a claim and need some suggestions on how to navigate the situation, contact us for complimentary, confidential advice.

We will listen and discuss with you any potential steps to take to mitigate the situation you're facing and guide you through the claim identification process.

This valuable Risk Service is managed by a licensed architect in Ontario so you're getting seasoned assistance from an architect familiar with practice risks as well as professional liability insurance. Moreover, this service is included with your professional liability insurance policy for an unlimited number of calls throughout the duration of your policy for as long as you're a Pro-Demnity client.

There is no impact to your premiums should you have to report a claim or for reporting claims in general, after utilizing this service. If anything, you will gain some peace of mind after talking over your situation with someone who will understand and help you work through it.
